

Do you think  
there is any use  
asking him to  
define "defensive  
weapons" - like those  
including  
what you want  
given etc

I would not ask him to  
define "defensive weapons".

Concluding remarks -

- (a) your efforts to find a reasonable basis of accommodation
- (b) the necessity for reciprocity in looking at vital interests
- (c) your concern that there be no misunderstanding about ~~you~~ the U.S. commitment and the seriousness with which we deal with them;
- (d) a greeting to Mr. K with the hope that he will review the situation carefully and re-examine our efforts to find solutions.
